

# CREATIVE ARTS SUMMER CAMP

---

Creative art is a fun and vivid way to mobilize children's imagination to develop their brains and guide their creativity. Learn to use a variety of drawing tools in combination, and develop a variety of different materials with innovative thinking. In the process of creation, combine painting methods to improve the ability of art appreciation. With the help of creative art, we guide children to observe life, express themselves, create boldly, respect the uniqueness of each child, and encourage them to use the language of art to tell the world they see.
